

MAKING SPACE 365

MAXIMISING THE POTENTIAL OF YOUNG PEOPLE THROUGH
CREATIVE AND CULTURAL ENTREPRENEURSHIP IN THE COMMUNITY

OUR FIRST TRANSNATIONAL PROJECT MEETING

The Making Space 365 project consortium is delighted to report back after a successful trip to beautiful Madeira and a hugely productive few months.

Partners meet for a Transnational Partner Meeting in Madeira at the beginning of October 2021 for a two-day meeting. It was a joy to finally meet this fantastic team in person and share ideas for this innovative project. The aims of which are to;

- Promote community engagement and social cohesion
- Develop creative and entrepreneurial skills
- Create a Civic Action Event Guide Book
- Develop a year-long skill development programme for personal use in the way of a calendar

Throughout two days, partners from Portugal, Greece, Germany, the United Kingdom, Lithuania and Ireland shared their progress and feedback on work completed and their hopes and visions for what is still ahead.

PROJECT DEVELOPMENT TO DATE

Topics discussed at the meeting included clarifying outstanding tasks for;

- Making Space 365 Framework for Social, Civic & Community Education and Engagement
- Making Space 365 Creative Skills & Entrepreneurship Youth Training Curriculum
- Making Space 365 Civic Action and Creative Youth Event Guidebook
- Making Space 365 Creative Calendar
- Making Space 365 Youth Leader Training Workshops
- Making Space 365 Festival & Showcase Event

Also covered across the two days was quality assurance, impact and dissemination of the project.

The Making Space consortium was also happy to arrange their subsequent meetings, which are proposed to be in Vilnius during March 2022 and Ireland in June 2022.

OUR NEXT STEPS

Other progress in the project includes the development of a Learning, Teaching, Training Activity that will be held in Kalamata, Greece, in May 2022. It will bring youth educators and youth leaders from all partner countries together in a collaborative learning environment.
